Update from Dr. Derek Arrowood, Superintendent, Hamilton Heights School Corporation

As we continue to plan for the start of the 2020-2021 school year, we are asking all students to acknowledge reading this document: [HHSC COVID-19 Guideline & Expectation Agreement](#). Simply click on the link, read the document, and follow instructions so that we can track who has read the document. Acknowledgement of this document is the first step in our process of re-entry. Please understand that acknowledgement of this document does not indicate a commitment to “in person” attendance for students.

Later this month HHSC will communicate the process for parents to decide if students will be taking part in “in person” learning or off-site learning, as well as the process to qualify to participate in off-site learning. We have also included two other documents from the Indiana State Department of Health that will be helpful and can be accessed by clicking these links: [ISDH Student Guidance on Return to School](#) and [ISDH COVID-19 Parent FAQ](#).

These are unique times in public education and we want you to know that student and staff safety will always be our first priority. Please do not hesitate to contact me directly with questions regarding the HHSC COVID-19 Guideline & Expectation Agreement document. Your support and assistance is greatly appreciated as we chart our way to reopening and help prevent the introduction and spread of COVID-19 on our campus.
