Special update from Dr. Arrowood, Superintendent, Hamilton Heights School Corporation

Dear Husky Families,

We have received feedback on the HHSC COVID-19 Guideline & Expectation Agreement that was shared in my Weekly Update on July 1. After review and discussion with legal counsel, it was decided to remove the Acknowledgement/Waiver/Assumption of Risk section on page 2. Our intent was simply to partner with our families and community in doing our part to prevent the spread of COVID-19. The survey has been updated with this new agreement.

If you have already submitted the survey for your children, there is no need to complete again. If you have not completed, please follow this [link](#), read the document, and follow instructions so that we can track who has read the document. Acknowledgement of this document is the first step in our process of re-entry. Please understand that acknowledgement of this document does not indicate a commitment to "in person" attendance for students. We request that you complete this task by August 1 as we continue to plan for the start of the upcoming school year.

As always, we welcome and appreciate your input. We are in this together! #WeAreHuskies
