

ATHLETIC SIGNINGS INFORMATION FOR PARENTS

Congratulations to you and your student athlete for their outstanding accomplishment of participating in athletics at the next level! We want to make their signing experience a memorable one!

2018-2019 begins a new procedure for Hamilton Heights Athletic Signings. There will be FOUR signing dates, all coordinating as closely as possible with the NCAA National Letter of Intent signing days, November 14, 2018; December 19, 2018; Feb. 6, 2019 and April 10, 2019.

You must have notified the Athletic Department that you wish to participate in an Athletic Signing NO LATER than one full week prior to the dates above. If you miss a signing date, we will simply schedule you for the following date.

All signings will take place in the HS Auditorium on stage at 2:10 PM for the above listed dates. There could be multiple signings taking place on the same day. Each signing will be brief with photographer available to take pictures of your athlete signing their documents, a picture with the athlete and their coaches, and a picture with Athlete and Parents or immediate family.

If your college can provide you a tablecloth for the signing, you are welcome to bring it; otherwise, we will provide a Hamilton Heights tablecloth. We encourage you to plan in advance... If you have college shirts that your athlete / family can wear for the pictures, that always looks great!

Invitations to attend will be emailed by the Athletic Department to HS Staff and Media Contacts one week prior to the signing. A Copy of the invitation will be sent to you, and you may forward this to family, friends, or past coaches.

Please see Media Questionnaire below. This is to be filled out by the athlete and returned to the Athletic Department as soon as possible. We will forward your questionnaire to Peggy Georgi for the press release. Please have your athlete fill in all items with as much information as possible! The more information provided, the better their press release will be.

All guests that attend must sign in at the front office on signing day at Entrance B. Please arrive a little early and have photo ID's available. We ask that people not park along the sidewalk in the bus lanes. Buses will arrive at 2:45. **All cars must be moved by 2:40 p.m!**

And finally, **Please bring signing documents with you!**

Contact Leigh Ann Moffatt at 317-984-3551, Ext. 1060 or lmoffatt@mail.hhsc.k12.in.us if you have further questions regarding this event.

HAMILTON HEIGHTS STUDENT ATHLETE MEDIA QUESTIONNAIRE

Student Name: _____ **College** _____

Parent(s) Names: _____

Sport(s) Played: _____

Awards, Recognitions received: _____

What inspired you to choose this University for your post-secondary education and college level sports?

What do you plan to study (degree sought) and what type of job are you looking to have after college?

How long have you been passionate about your sport and what have you done to develop your skills?

Who has been a major influence in your development over the years?

List your extra-curricular activities (i.e., clubs, church, volunteer) outside of sports:

Is there anything else you want to share about yourself or your future?

Note: Use backside to continue answers for any questions.
