

Exciting News Regarding Hamilton Heights School Corporation Cafeterias!

Now Available!

MealViewer mobile app and web-viewer which is a major technology upgrade to bring Hamilton Heights into the Digital Age where school nutrition is concerned is now available. The MealViewer mobile app and web-viewer have the capacity to display the menus for each building along with nutritional and allergen information for items served for breakfast and lunch. You also have the ability to print menus by week or by month on the web-viewer. Links to EZSchoolpay.com and EZMealApp.com are available on MealViewer. Your menus will look different as we will be using MealViewer menu formats for communicating our monthly menus.

Check out the MealViewer web-viewer on the main page at <http://www.hhschuskies.org> or download the app for your mobile devices!

This institution is an equal opportunity provider
