

# HAMILTON HEIGHTS PRIMARY & ELEMENTARY SCHOOL

## CLASSROOM SNACK LIST

Due to the increasing concerns about allergies, Hamilton Heights Primary School has created a **list of food items that are acceptable for classroom parties and activities**. **Please do not bring in any items unless they are from the list as it has been compiled with the safety of all our students in mind.** Items sent in that are not on this approved list will be returned to the provider and not distributed. We also request that your snack items remain in their original packaging so that labels can be double checked before snacks are distributed in the classrooms. No additions will be made to this list during the school year. Thank you for your understanding and cooperation.
