

Name \_\_\_\_\_ Book Title \_\_\_\_\_

**Complete 10 logs for your summer reading book. If there is a chapter end near your stopping point, you may round up or down so you are stopping in a natural spot.**

**\*\*Each log should have a SUMMARY (restating of the main events of that section) and a RESPONSE (your thoughts about what you read). Your response can include reactions, connections, feelings, predictions, etc. A summary tells what happened in the book; a reaction tells what happened in your brain as you read.\*\***
