

HAMILTON HEIGHTS SCHOOL CORPORATION
CLASSROOM SNACK LIST

Hamilton Heights takes specific measures in an effort to provide a safe school environment for students with severe and/or life threatening allergies. **Please do not bring in any items unless they are from the list as it has been compiled with the safety of all our students in mind. All items that are brought into school must be in their original packaging so that labels can be double checked before snacks are distributed in the classrooms as manufacturer's labels can change without warning.** Items sent in that are not on this list OR those found to have peanut or tree nut allergy warning labels will be returned to the provider and not distributed. No additions will be made to this list during the school year. Thank you for your understanding and cooperation.
