HAMILTON HEIGHTS

Hamilton Heights High School

Wednesday, May 29, 2019

Our mission at Hamilton Heights High School is to empower students to participate in a technologically challenging, global environment. Our school community aspires to graduate healthy, responsible citizens who are life-long learners and creative, critical thinkers.

Our Vision

We envision that Hamilton Heights High School will consistently be ranked in the top ten percent of the schools in Indiana based on benchmarks for achievement, and that our students will be equipped academically and socially to successfully perform in and adapt to the changing global society.

Next Year Junior and Senior Class:

Please take [this short survey](#) regarding Canvas use in the classroom. This will help your teachers to create a better learning experience for you online. This is also available in your email. Thank you!

All students will need to turn in their **devices and chargers** before leaving for summer or you will be billed for a total replacement of the device. Underclassmen we will collect your devices after your last final either Wednesday, Thursday, or Friday starting around 11:50. If you are taking summer school you will have to come in and pick up a device during the appointed times.

Parents/Summer School Students: If your student is taking a summer school class for the High School and you need a device, your student will still need to turn in their device before leaving school on May 31st. We will have two times when your student can come and pick up a device for their summer course:

- **Monday, June 3rd from 3pm to 6pm**
- **Tuesday, June 4th from 8am to 12pm**

Both of these will be in the High School Media Center. We really need you to make sure your student is registered for the next school year before these dates! If not they will have to turn in their MacBook once the course is complete.

Seniors *you will have until July 1st* to get all the content you need out of your hnschuskie.org account and into a personal account. After July 1st your school account will be disabled. This is a link to show you how to do this! If you have questions please put in a helpdesk.

Athletics

Attention Athletes: if you are receiving repeated emails from Final Forms Registration, this means you STILL have online documents that you need to sign. EVEN IF you have already had a physical, you still need to complete your online signatures **or you will not be able to participate in your sport.** See Mrs. Moffatt if you have questions.

Scores & Shout Outs

The baseball team suffered a season ending 3-1 loss to Yorktown Friday night in the Blackford sectional. Sam Allen pitched a great game and kept the Huskies close but we just couldn't come up with the big hits. The season ends with a 9-14 record and we are especially sad that the careers of Sam Wahl, Alex Roth and Sam Fulton as huskies come to a close.

This is the Hamilton Heights Official Store to get all of your Husky gear. We've got t-shirts, sweatshirts, bags, hats, yard signs and much more! Run by the students of Hamilton Heights BPA, the Husky Fan Shop will be selling husky spirit merchandise at all home Varsity games and online at huskyfanshoponline.com

Scholarship Information

Seniors: The Imagine America High School Scholarship is an award winning scholarship program offered by the Imagine America Foundation. The scholarship is for high school seniors who plan to attend a career school participating in the Imagine America Scholarship Program. Lincoln College of Technology in Indianapolis is the one local career college that participates in this program. If you are interested in attending Lincoln Tech please go to www.imagine-america.org/ourschools to learn more about scholarships. Applicants must have at least a 2.5 cumulative grade point average and enroll in a participating career school.

Seniors: Are you planning on attending Ivy Tech Community College (Hamilton County) next year in Software Development, Informatics, Building Construction Technology, or Business Administration? The Hamilton County Innovation Network Scholarship might be of interest to you. Scholarships are limited and will be awarded on a first-come, first-served basis so follow these steps: Apply at Ivy Tech Community College for free at: ivytech.edu/applynow. After applying go to: bit.ly/HCScholarship and fill out a quick form. Complete your enrollment steps listed at: ivytech.edu/newstudents.

SAGE Scholars is the nation's oldest and largest private college preparation and funding organization. SAGE Scholars is rolling out a new "Student Direct" program where students are encouraged to register and **fill out an online profile to earn between 500 and 3000 redeemable Tuition Reward points**. Students need to go to www.tuitionrewards.com/studentdirect and register their Student Direct account and complete their online profile.

Seniors: Are you interested in History? The Dunham House History Scholarship is now online and ready for Indiana student applications. There are Presidential (\$2,500) and Senatorial (\$1,000) scholarships available. For more information and to apply online go to: <http://bit.ly/2CUoLZw>. **The application deadline is May 25, 2019**.
