APRIL 2018

Hamilton Heights School Board approves building additions at the Primary and Elementary Schools.

The Hamilton Heights School Board approved adding approximately 93,000 square feet to the current Primary and Elementary Schools. The Primary School Addition (Future Elementary) will include a new Little Huskies Learning Center for pre school, Special Education classrooms, a new gymnasium and instructional maker spaces. The Elementary School addition (Future Middle School) will include Performing Arts spaces for Band and Choir, a STEM indoor and outdoor classroom, Health classrooms and two new gymnasiums along with ancillary service areas. The project is scheduled for completion by August 2019. The School's property tax rate is not expected to increase due to the approved projects.

High School Greenhouse Open House - May 2nd at 5:30 p.m.

Hamilton Heights School Corporation cordially invites parents, students and community members to share in a special ribbon cutting ceremony on Wednesday, May 2nd at 5:30 p.m. Those wanting to attend the open house should enter the greenhouse from the west side of the High School near the football field.

Summer Renovations at the Middle School

Construction started at the Middle School renovating the West gym locker rooms and the East Gym. Beginning June 4th additional construction will begin in the West gym, concession area and in the public restrooms. During the project a majority of Mechanical, Electrical, and Plumbing is being replaced in areas of the building that are scheduled to remain. Final construction renovation will occur beginning August of 2020 and should be completed by August 2021.

Hamilton Heights School Board approves new High School Tennis, Track and Field construction project

The Hamilton Heights School Board approved renovation to replace current tennis courts adding one additional court. They also approved installation of a new polyurethane track and field system. The improvements are scheduled to begin June 4th and will be completed in late summer 2018. Pictured to the left is the current track that was installed in 1993. The new system will be a better running surface for student athletes and others.

RECONFIGURATION TIMELINE

School Year 2018-2019

no change in grade configuration

School Year 2019-2020

Primary School (PK-3)
Elementary School (4 & 5)

School Year 2020-2021

New Elementary PK-4
Middle School 5, 6, 7, 8
